

About Associate Membership

Associate Members are industry-leading providers who are committed to adding value within the retail community, understanding industry challenges and partnering with RH-ISAC in its mission to support retail and hospitality companies to mitigate cyber risks to their companies. Associate Member benefits are designed to provide brand exposure, highlight thought leadership and research, and establish trust-based relationships with cybersecurity practitioners from retail and hospitality companies.

Become an Associate Member

Step 1: Complete the Associate Member Application and send to membership@rhisac.org.

Step 2: RH-ISAC staff will review your application to evaluate fit and alignment with RH-ISAC and its member’s needs and will then contact you with the status of your application. RH-ISAC may also request a call regarding your interest.

Step 3: Approved applicants will then confirm eligibility and terms by completing and submitting their signed Member Agreement to membership@rhisac.org.

Step 4: Once we receive your signed Member Agreement, our staff will reach out to begin your team’s new member onboarding, including one-on-one calls, informational resources, and support to help your team make the most of membership.
